

Product Specification Sheet Fresco LED Wall Washer

The Fresco LED Wall Washer is a specialist lighting tool for display and commercial lighting applications.

Providing an even wash of light, the Fresco LED Wall Washer is the ideal wall washer or subject flood.

Features

The body is engineered from a combination of aluminium pressure die castings. All power cables are internal to mount and body.

Visually smooth asymmetric beam. Fully blended light source – no fringing.

LED engine and precision designed reflector are recessed into the luminaire housing for best glare control commensurate with the beam angles provided.

Minimal power consumption (18W) and lower maintenance requirement than traditional halogen sources.

Passively cooled – no fans for silent operation

Positive, precise pan and tilt adjustment with allen lock off. Reference scales to record/ duplicate focus position.

Four flap barndoors to shape / mask the light beam, available to match luminaire colour or with the flap interior finished in black.

Comes with Philips Selecon's three year warranty.

Approvals

CE Marked

Mounting Options

Universal track three circuit track adapter.

Ceiling mount plate, ridged 80mm \varnothing x 20mm deep.

1.0m cable tail, with or without plug

Ceiling rose mount

Track adapter
